

Dear Parent or Guardian,

Washington Academy understands that the protection and safety of your child is of the utmost importance. Often, physicians and hospitals in the United States do **NOT** accept insurance plans based outside of the US.

We have found that the Clifford Allen Associates, Ltd. have the most comprehensive coverage offered at very reasonable rates. The rates for the 2010-2011 school year are as follows:

12 Months: \$1,195.00

10 Months: \$1,095.00

The total premium is due with your enrollment application.

All insurance coverage must be in place BEFORE your child begins the academic year at Washington Academy. Clifford Allen Associates, Ltd. insurance is mandatory unless proof of other health insurance coverage with an office in the United States is presented PRIOR to the start of school in September.

Please contact me at 207-255-8301, ext. 209 should you have any questions or require additional information.

Sincerely,

Robin Moloff-Gautier
Director of Admissions and Residential Life
