

All students enrolled at Washington Academy, and their parents or guardians, are asked to read these conditions carefully and sign at the bottom of this page. These rules have been developed over the years to ensure that all students enjoy a safe and successful experience.

1. Students are obligated to be aware of and follow the policies and procedures of the school. Students are not entitled to a refund if they leave the school due to disciplinary issues.
2. Local and State laws in the U.S. prohibit high school age students from purchasing or consuming alcohol.
3. This is a non-smoking program. Washington Academy does not accept students who smoke tobacco products or marijuana, and neither is permitted at any time.
4. Controlled substances (illegal drugs such as marijuana, cocaine, etc.) may not be taken, sold or bought by any student at any time for any reason.
5. Washington Academy program rules and insurance restrictions prohibit the use of any motorized vehicle by students, except in the course of a licensed driver education class. Students may take part in such a class only with written permission from their natural parents or legal guardian.
6. No hitchhiking is allowed under any circumstances.
7. Students must maintain good academic standard in all classes during their stay. This includes completing all coursework, demonstrating serious effort and a positive and cooperative attitude. School attendance is required. Absence is permitted only for cases of genuine illness with special permission from the school nurse or documentation from a doctor.
8. Students will be expected to pay all expenses for an individual tutor if the student proves incapable of achieving academic success and maintaining passing grades.
9. The student's personal property is not the responsibility of Washington Academy. Any lost or stolen personal property of the student, including lost or stolen money, is the responsibility of the student, the student's parents and or legal guardian.
10. Students may not make any life changing decisions while enrolled at Washington Academy. This includes pregnancy, marriage, body piercing and tattoos.
11. Students who are charged with a violation of any federal, state or local laws in the United States will be returned to their home country immediately at the expense of the parents or guardian.
12. If payment has not been made in full according to the conditions of the enrollment agreement, I/we understand that I will not be allowed to sit for exams and that official immigration authorities will be informed and my visa status will be cancelled.
13. Students are responsible for any charges incurred (including, but not limited to those that appear on the attached Residential Fee Schedule). Washington Academy may, at its discretion, charge the student's Emergency Fund to cover any such charges.
14. Students are required to establish an Emergency Fund with Washington Academy in an amount of no less than \$1,250 (including the room deposit) at the beginning of each year. Should the balance fall below \$1,000, the student is required to replenish the fund balance. Should an Emergency Fund reach a negative balance, Washington Academy retains the right to charge interest on the negative balance at monthly interest rate of 1.5%.
15. Washington Academy may require that students who incur ongoing expenses (i.e. medical treatments, medication, counseling sessions) deposit additional funds in their Emergency Fund in anticipation of these costs.

Early termination from Washington Academy:
Washington Academy reserves the right to dismiss and send home any student whose mental or physical health (e.g. eating disorders, depression, chronic illness or condition) requires this action, or whose conduct is considered to be improper or offensive to the school community. Such conduct includes, but is not limited to: illegal drug use, unacceptable sexual behavior, driving, drinking of alcoholic beverages, violation of the law, unsatisfactory school performance and/or consistent inability or unwillingness to interact productively and/or amicably in the residential and school setting. In the event the student is dismissed and returned home, the parents or guardian will be responsible for any additional expenses incurred. No refunds are made to families of students whose enrollment is terminated early for any of the above mentioned disciplinary reasons.

I have read the rules above, understand them, and agree to follow them during my stay at Washington Academy. I understand that I will be subject to dismissal from the school if I fail to adhere to Washington Academy rules or if I am charged with a violation of any U.S. Federal, State or local laws.
